Schiphol can be accessed directly from all locations in the area using the frequent local and regional bus services (amongst others, Schiphol Sternet).

Schiphol is easily accessible by train from major cities.

To get to The Base from Schiphol Plaza:

Exit the building and head for the buses.

Take one of the Schiphol Sternet buses in the direction of Zuid-P30 from platform B10 (lines 191, 195, 198) or B12 (lines 190, 192, 199). These buses run every ten minutes throughout the day. Get off the bus at the P12/Vrachtgebouw (P12/Cargo building) stop. Journey time: 10 minutes.

Walk along Schipholboulevard towards the Hilton hotel. You will see The Base as soon as you've gone past the Hilton hotel, on the other side of the drop-off road. The walk takes around 10 minutes.
